**AT THE DRIVING PARK, BEGIN-
NING NOVEMBER 10, AND
CONTINUING FOUR DAYS.**

**There Will be Inauguration of a Stock
Fair, Where Improved Stock, Hor-
ses, Cattle, Hogs, Sheep, and Poultry,**

**Both from this and other counties
will be exhibited and on each of the
four days there will be trials of speed
in the speed ring by horses from the
Canada to Texas—which will go
only for blood. "The trotting horse
has become the prominent feature of
agricultural fairs and we opine no
county or state fair could succeed
without a strong representation of
the various grades of the trotting
horse" hence in connection with
the stock fair there will be four trials
of speed, given on each day, one of
which will be exclusively for our own
county horses. These races will be
given at 2 p. m., the exhibition of the
stock at 10 a. m. sharp. Premiums ag-
gregating one thousand dollars will be
distributed among the successful com-
petitors of stock and \$2,500 to the
successful competitors in the speed
ring. All under the able manage-
ment of our fellow-citizen Sanford
Johnson, to whom all desiring cate-
gories, premium lists and program
of races, both here and at Houston,
should address themselves. Under
the same management, the following
week, beginning November 17th and
continuing to the 20th, inclusive, races
will be had at Houston where prizes
amounting to \$5,000 will be distrib-
uted. There will be five races each
day one of them being for home
horses. These races will be almost a
repetition of those had here. From
advice already received at the office
of the management, we are assured
that a fine line of fast thoroughbred
stock has never been seen in the
south than that which will be exhib-
ited and compete here and at Houston
in Nov. The attraction at the Opera
House for November and the follow-
ing months will be given later on.**
